

The Howard 'School Values'

Respect

Friendship

Love

Our School Value this term is: Responsibility

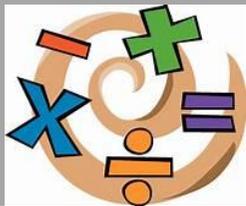

Autumn 1 Curriculum

English

We have lots of exciting writing opportunities planned this term, starting with the book *'I Want My Hat Back'* writing descriptions, letters, diary entries and a sequel. Year 1 will be focusing on sentence construction, using a capital letter and a full stop, whilst Year 2 will be focusing on using adjectives to describe and conjunctions. We will then move onto the traditional tale *'Goldilocks and The Three Bears'* writing letters, retellings, stories from another point of view, descriptions and instructions.

Maths

Our focus points this term will be **Big Maths**. The children will undertake these tests every Monday. Other key topics include **place value, addition and subtraction and multiplication and division**. Year 2 can also use ***Times Tables Rock Stars*** to practise their times tables at home.

Geography

Our Geography topic this half term will be called **'Map Makers'** The children will be learning about the 4 compass points, what an aerial photograph is, carrying out some field work tasks and will have a go at making simple maps including basic symbols.

<p>D & T</p> 	<p>Our focus will be on food. We will be investigating different types of pizza and having a look at how we could design our own to make it as healthy as possible. The children will then be able to create their own pizzas and bring them home for tea!</p>
<p>Science</p> 	<p>Seasonal Changes. We will be learning about the different seasons and how each differs. We will think about how animals and humans are affected, how day length changes and the different weather patterns associated with each season.</p>
 <p>PSHE</p>	<p>In PSHE, we will explore 'getting on and falling out'.</p>
<p>Computing</p> 	<p>For this session we will focus on E-Safety. Why not support your child by encouraging them to look at the following website and discuss what is on there. https://www.thinkuknow.co.uk/8_10/</p>
	<p>Our PE topics will be looking at functional movement and the ways in which we move around. We will play lots of different games and learn how to take turns and work within a team. PE will be led by Mr Challinor.</p>
<p>Religious Education</p> 	<p>Who made the world? We will be investigating where the creation story can be found in the Bible and learning some of the events that led to the creation of the world. We will also take time to think about the ways in which we thank God for his creations.</p>
